Subject: RE: Axon Auto-Tagging Inoperable September 17-18, 2024

All,

As a reminder Glenview Dispatch will be upgrading to a cloud based CAD system tentatively beginning September 17th at 0400hrs. During this upgrade, our Axon Auto-Tagging feature will be disabled and **you will be required to tag your incidents manually**. I will send an email when Auto-Tagging is back in service.

Thank you,
