

Re: Axon Fleet 3 Install Complete

From Zielinski, Robert <rbz@vniles.com>

Date Sat 12/3/2022 1:05 PM

To All Police Department <AllPD@vniles.com>

Two issues that have come up;

1. Center console blank plates have been ordered and will be installed. This will replace the now removed center console safety vision equipment.
2. The new axon antennas are half the size of the safety vision antenna that was removed. Jac Wraps has been on site and has patched approximately half of the fleet. The remaining squads will have the patch completed this upcoming week. Any previously reported accidental damage will also be repaired this week too.

Thank you,

All,

The Axon team has completed their install of Fleet 3 within our squads. Project Manager Dan Mullies will be back on site on Tuesday December 6, 2022 to follow up on any outstanding issues. Please advise me if you experience any issues or have questions. Thank you all again for assisting in this project.

Thank you,
